Address: San Francisco,  
Mabalacat City

## Work experience

---

HAU College of Information and  
Technology Student Council

2019 — 2020

Staff

Helped the council with their events, seminars where I started seeing myself that I can also be a leader.

HAU School of Computing Student Council

August 2020 — August 2021

Councilor in Facilities & Logistics and Human Resource

Won the elections as #1 Councilor, and finished my term as the Best Councilor, ready to be a voice and a leader for my fellow students in my department. Held events and enhanced my skills in leadership, time management, and critical thinking.

HAU Apl.de.Ap Music Studio

July 2021 — June 2022

President

Become the President of HAU KaJam Music Studio aiming to amplify the confidence of every aspiring Kapampangan artists of Holy Angel University.

FilAm Software Technology, Inc.

September 2021 — November 2021

Web Developer Intern

Developing websites using frameworks such as Grav CMS, WordPress, and video editing.
